Owner and jewellery designer goldsmith Amjad ALI is one of the first masters who came more than 15 years back from Jaipur to Goa.

He is known by his knowledge, perfect work, honesty and friendly service.

During years many tourists and local people get interesting and high quality hand-made jewellery from him and his masters.

If you have old jewellery and you wish to get some new design, come and tell about your ideas. Ali helps you to find great design. Moreover he helps you if you want to know what stones you shall wear by horoscope and what is good for you by your nature and destiny written on your palm. There are believe that stones can give a person protection for evil eye and bad luck, change their destiny, give them health and wealth.
